Proposed Changes:

#2 Article V, Section 4, Part C.

Current:

EMAIL LIST(S) COORDINATOR(S). The Email List(s) Coordinator(s) shall be appointed by the President. This person or these persons shall maintain the list of subscribers to both the ohsla@uic.edu and ohexec@lists.acs.ohio-state.edu lists. The person who manages the ohexec list must be an Ohio State University employee.

Suggested Change:

EMAIL LISTSERV COORDINATOR. The Email Listserv Coordinator shall be appointed by the President. This person shall maintain the list of subscribers to the ohsla@uic.edu lists.

Reason:

The position is coordinator for the OHLSA listserv and not just an email list. The executive r uses a listserv to communicate. They are now using a wiki for this purpose.

1. Carol Powell moved that this change be adopted and Holly Burt seconded. Membership approved.

#2 Article V, Section 4, Part E.

Current:

Midwest Chapter State Liaison Committee Representative. The Representative shall be appointed by the President and shall serve as liaison between OHSLA and the Chapter Council. This person shall serve as a conduit for communication between the chapter and the Association, local library groups, and library science educational programs in the State of Ohio.

Suggested addition

If the Midwest Chapter (elected official) representative-at-large is from Ohio, then that person shall also serve as the OHSLA representative to the Midwest Chapter Liaison Committee Representative.

2. After some discussion it was decided that this is a procedural issue and not a by-law change. The recommendation was made to change this in the policy and procedural manual.
